Council Thoughts

Everyone loves summertime. What's not to love? We are blessed in Southern California with wonderful weather, great beaches, long, balmy evenings, and no mosquitoes (almost!). Our Community Services and Recreation Department has plenty of programs and activities for your entire family to enjoy this summer, so check out all the action in this brochure.

We want to congratulate Ray Silver, recently retired City Manager, on two great years of service to our city. Ray's dedication to improving the economic stability of Westminster through improved development strategies was well documented, and his leadership and humor will be missed.

We are pleased to welcome our new City Manager, Don Lamm, and we are excited to have him on our team. Don comes from Costa Mesa, where he had many opportunities to impact the development of that community for the past 20+ years. Welcome aboard Don – we're glad to have you in Westminster.

Our new police facility will break ground this summer, and after the building is completed, a new parking structure will be built next to it. The City/Chamber of Commerce building will go out to bid shortly, and will replace the current structure at Hazard Ave. and Beach Blvd. Both of these buildings will be LEEDS certified and incorporate innovative energy saving systems to further the city's "green" profile.

If you can't make it to the Civic Center for a Council Meeting – never fear! The Council meetings are now streamed to the Internet and can be watched on-line during the meeting or afterwards. You can also pull up any section of the meeting you wish to review, saving you time. Go to the city's website at: www.westminster-ca.gov for info on this new innovation! Have a great summer with family and friends. Come on out and enjoy the "Summer Concerts in the Park" at the Sunken Gardens in the Civic Center on Thursdays, from 6-7:30pm July 2nd- August 27th.

We'll see you there!

Internet Access to Westminster City Council Meetings.

Check the city's website at www.westminster-ca.gov for information about viewing live and archived City Council meetings. If you have Internet access, you can follow the meeting live with a video stream on your computer. You will also have access to an archive of recent City Council meetings if you are interested in viewing a particular meeting segment along with meeting agendas and minutes.

ACCESS & INCLUSION

In compliance with the Americans with Disabilities Act (ADA), the City of Westminster, Community Services & Recreation Department prohibits discrimination on the basis of race, color, national origin, age and disability in all of its programs. All are welcome to register and we encourage your participation. If you have special needs, please contact the Community Services & Recreation Department at (714) 895-2860.

Reaching out to the Elderly Homebound Seniors in Westminster:

"Christmas in July" is a program started by Mayor Margie Rice eight years ago. Elderly homebound seniors on the Home Delivered Meal program request a gift from a list of suggested items. These wishes are made available on a Christmas tree in the lobby of City Hall. The public may select a wish, purchase it and return the gift wrapped to City Hall. The gifts are then delivered by volunteer drivers. It is truly rewarding reaching out! The wishes on the "Christmas in July" tree will be available the last week in June.

LEARN THE ABC'S OF POOL SAFETY

California leads the nation in drownings. These needless tragedies are the leading cause of accidental injury and death in children under the age of five and the second leading cause of death in children under the age of 14. In Southern California, drowning prevention and water safety should be practiced on a year-round basis with special emphasis during the summer months. Below are the ABC's of water safety. By learning these water safety tips you and your child will learn how to prevent drownings.

A –Adult Supervision –Assign a “Water Watcher”

- Assign an adult “water watcher” who can swim to specifically watch the water.
- Designate an adult to supervise the children in and around the pool/spa area especially during social gatherings.
- Never leave children in or around a pool unattended –not even for one second.
- Remove children from swimming pool/spa area for any distractions such as a telephone call or use of restroom.
- Do not rely on flotation devices. They should not be used as a substitute for adult supervision.
- Post pool address and emergency number.

B –Barriers

- Install and maintain proper fencing around the pool to isolate your swimming area from the home and play area.
- Use multiple layers of protection such as safety covers, gate alarms, door alarms and motion-detection devices. Inspect them monthly.
- Make sure all gates are self-closing, self-latching and open outward away from the pool.
- All objects that allow a child to climb up to reach the gate latch or climb over the fence should be removed or kept inside the fenced area.

C –Classes –“CPR”

- Learn CPR, first aid and rescue techniques.
- Attain swim skills through on-going qualified instruction.
- Keep rescue equipment such as a shepherd's hook, life-saving ring and CPR sign mounted by the pool to instruct others.
- Learn proper behavior in and around the water.

What to Do If a Child Falls Into a Pool!

- **Yell for help** and check the scene to make sure that you can safely help the child.
- **Get the child out** of the pool and onto the pool deck.
- **Check for consciousness** by tapping and shouting, “are you okay?”

• **If someone is with you, have them call 9-1-1.** Determine if the child is breathing: tilt the head back, if you don't hear or feel breathing or see the chest rising, give two (2) Rescue Breaths then check for a pulse. Begin Rescue Breathing or CPR immediately and continue until emergency help arrives.

• **If you are alone** and the child is not breathing and/or does not have a pulse, start Rescue Breathing or CPR immediately. After one minute, call 9-1-1. Return to the child and continue CPR until help arrives.

Nationwide Drowning Statistics

- In 2005, there were 3,582 fatal unintentional drowning in the United States, averaging ten deaths per day.
- In 2005, males were four times more likely than females to die from unintentional drownings.
- More than one in four fatal drowning victims are children 14 and under. For every child who dies from drowning, another four received emergency department care for nonfatal submersion injuries.
- Although drowning rates have declined nationwide, fatal drowning remains the second leading cause unintentional injury related death for children ages 1 to 14 years.
